

Rainbow's End Learning Center

Part of PathWays | Fulfilling Potential

March 30, 2020

Dear Parents and Caregivers,

As a result of the ongoing shutdown, Rainbow's End Learning Centers must remain closed for the time being. We have received permission to open the day care exclusively to the children of parents whose jobs are considered life-sustaining and deemed essential.

Please know that we understand the challenges and stress that this extended closure puts on our families. We will assist our families in any way that we can during this time.

For more information, you can visit <https://yourpathways.org/covid/> or contact Marsha Androsik, VP of Children Services, at mandrosik@yourpathways.org or 724-255-3771.

We appreciate your patience as we navigate this situation,

Edward Yongo
CEO, PathWays of Southwestern PA
