Dear Parents and Caregivers,

As a result of the statewide shutdown ordered by Governor Tom Wolf today, Your Child's Place will be closing effective immediately. The program is tentatively scheduled to resume on Monday, March 30. In the event that this date changes, we will communicate that in a timely fashion.

Please know that we understand the challenges and stress that a prolonged closure will put on our families. However, we believe that shutting down our centers is in the best interest of protecting the health and welfare of every member of our community. We will assist our families in any way that we can during this time.

For more information, you can visit <https://yourpathways.org/covid/> or contact Brooke Giecek, Interim Clinical Director of YCP, at bgiecek@yourchildsplace.org or 724-705-4410.

We appreciate your patience during these unprecedented times,

Edward Yongo
